

Distribution Announcement

Henley Audio to Distribute Klipsch® and Jamo® in the UK

Didcot, Oxfordshire – 16th November 2017

Henley Audio are delighted to announce a new distribution agreement with Klipsch Group Europe (KGE). KGE is part of VOXX International Corporation and manufactures high-quality loudspeakers and headphones under the brand names Klipsch® and Jamo®. As part of the new agreement, Henley Audio will take on UK distribution of the home audio and personal products for both the Klipsch and Jamo brands.

“Henley Audio has an impeccable reputation for representing the best brands and providing excellent service. We are thrilled that this strategic partnership will expand distribution of high-performance Klipsch and Jamo audio solutions to new and existing customers in the UK,” said Franck Blondel, vice president of EMEA sales for Klipsch Group.

As sole UK distributor for a wide variety of Hi-Fi equipment brands from across the world, Henley Audio are thrilled to add two of the global audio industry’s most iconic speaker companies to their portfolio. Managing Director of Henley Audio, Laurence Armstrong, said of the new relationship:

“Klipsch and Jamo are icons on a global scale. Though each have their own unique design and sound signatures, the two brands together offer something new and exciting for the UK consumer to enjoy – a true combination of style, sound, reputation and value for money. We’re thrilled to be working with KGE on this exciting opportunity.”

From November 2017, Henley Audio will be offering sales and support for all Klipsch® and Jamo® speaker and headphone enquiries in the UK. Before the end of 2017, a specially selected portfolio of products from across the respective ranges will be available through a premium retail network in the UK. From January 2018, a far wider assortment of products will be available. Keep visiting www.henleyaudio.co.uk for the latest announcements and product availability updates.

Klipsch®

KEEPERS OF THE SOUND

The genesis of something very, very special occurred in a tiny tin shed in Hope, Arkansas in 1946 when Paul W. Klipsch - genius, madman and maverick - designed and hand-built the legendary Klipschorn® speaker with the goal of bringing live music into his living room.

Over time, Klipsch speakers have become the stuff of legend. People swear by the company's breakthroughs in modern acoustics, citing something akin to a religious experience with every listen. PWK's revolutionary sound lives on today in every hyper-efficient horn loaded product that rolls out of production and into the global market.

Headquartered in Indianapolis, Indiana, Klipsch's world-class speakers and headphones allow people to connect with their favourite music like no other brand by delivering the power, detail and emotion of the live music experience. From immersive cinema speakers to mind-blowing home theatre systems, incredibly clear soundbars, powerful portable wireless speakers and the most comfortable studio-quality in-ear monitors on the planet, Klipsch have been impacting lives with vibrant, true audio for the better part of a century.

About Henley Audio

Everyone has a different interpretation of what good sound is, and at Henley Audio we're no different. We strive to bring customers the best possible selection of hi-fi equipment from a variety of international manufacturers.

Formed in 1997 as the result of a management buy-out of Ortofon UK, Henley Designs Ltd. (trading as Henley Audio) is one of the UK's premier distributors of quality hi-fi equipment. The brands we distribute are not only highly-regarded in their own right, but they also share a symbiotic relationship with other brands in our portfolio.
