

Product Announcement

Klipsch S1 True Wireless Killer Sound. No Wires.

Didcot, Oxfordshire – 8th November 2019

Henley Audio are today announcing the introduction of a new true wireless earphone from Klipsch, perfectly in time for the festive season. Klipsch, a leading US-based audio manufacturer, released their first True Wireless earphone earlier this year, the coveted T5 True Wireless, and are quickly following up with a more affordable option to delight audio enthusiasts on the go.

The S1 True Wireless (£89.00 SRP) are designed to deliver killer sound, without wires. Combining comfort, acoustic clarity, and wireless technology, the S1 True Wireless earphones are perfect for your on-the-go lifestyle and budgetary needs.

Supplied with a compact charging case and a free Qi Wireless charging pad, the S1 True Wireless are designed to fit into your life. Carrying five (5) hours charge on a single use, plus 16 extra hours in the case, they can go with you anywhere. Featuring Bluetooth® 5 and AAC high-quality conversion technology, they also pair to any modern smart device with ease.

Acoustically, the S1 True Wireless are designed to rock. Boasting that legendary Klipsch sound from a full bass dynamic driver, in combination with the effective noise isolation from the contoured silicone ear tips – designed to sit inside your ear canal comfortably – the S1 cut-through the everyday sounds around you so that you can enjoy the heart and soul of your favourite music wherever you find yourself.

With two microphones built-in for real voice clarity when making and receiving telephone calls, and an IPX4 rating for sweat/water resistance, the S1 are a high-value solution for taking your music on the go.

Available in a black finish across the UK now, the S1 True Wireless are the ideal gift for this festive season.

S1 TRUE WIRELESS: £89.00 SRP

The S1 True Wireless are available to purchase across the UK now.

About Klipsch

In 1946 Paul W. Klipsch, inventor, acoustics pioneer and maverick, founded Klipsch Audio with the sole purpose of bringing the power, detail and emotion of the live music experience into his living room. Through the use of highly efficient speaker designs, handcrafted cabinetry and a thirst for real engineering breakthroughs – Klipsch, the great American loudspeaker company, was born in Hope, AR.

Today, Klipsch's diverse range of quality audio products includes speakers and headphones for almost any consumer and professional application – including cinema, whole-house, wireless, home theatre and portable offerings. Honouring their founder's legacy, Klipsch continues to be the legendary high-performance brand of choice for audiophiles and aficionados around the world. Klipsch are the Keepers of the Sound®. Klipsch Group, Inc. is a VOXX International Company (NASDAQ: VOXX).

About Henley Audio

Henley Audio has been importing and distributing industry-leading hi-fi equipment to the UK and Ireland since 1997. With a passion for great sound and a firm focus on brand integrity, we work to deliver excellence in both product and service.

Formed as the result of a management buy-out of Ortofon UK, Henley Designs Ltd. (trading as Henley Audio) operates in-house sales, marketing, service, support and warehouse teams in order to offer the full turn-key solution for suppliers. The brands we represent are not only highly-regarded in their own right, but they also share a symbiotic relationship with other brands in our portfolio.
