

Jo No.10

Unique High End MC cartridge

MSRP 7.900€ (incl. VAT)

- Unique synthetic diamond cantilever
- High end micro ridge stylus radius
- Cryogenic treated yoke
- Special high density wood sourced from Europe
- Shellac surface treatment like violins
- Wooden body hand-labeled by special restaurateur
- 1/2 inch mounting standard
- Threaded holes for simple mounting without nuts
- Carefully handmade by experts in Europe

Cartridge type: Moving-coil

Stylus (tip radius): Micro ridge (r/R = 3/80 μ m)

Frequency response: 20Hz - 30kHz

Tracking ability: 100 μ m

Output voltage: 0.32 mV @ 1kHz, 3,54cm/sec

Channel separation: >28 dB @ 1kHz

Output balance: 0.5 dB @ 1kHz

Vertical tracking force: 1.6 - 1.8g

DC-resistance: 15.7 Ω

Coil inductance: 26H (1kHz)

Dynamic compliance: 15 μ m/mN

Vertical tracking angle: 20°

Weight: 12g
