## QUALITY, SIMPLICITY & THE ICONIC CONCORDE DESIGN

Enter the world of Ortofon Concorde with the **Concorde 5E** and **Concorde 5S** – two cartridges delivering the trusted performance and timeless aesthetics of the award-winning Concorde MkI design in a user-friendly package. Positioned directly below the premium Concorde Music Series, the **Concorde 5 Series** provides an excellent entry point for high-quality vinyl playback.

### CONCORDE 5E – PRECISION & CLARITY

The Concorde 5E delivers a refined and detailed listening experience, making it an ideal choice for those who appreciate high-fidelity sound. Equipped with an elliptical diamond stylus, it ensures premium groove contact, reduces distortion, and reveals fine nuances in your records.

#### ✓ No-tool installation

Easily mounts onto the tonearm for quick setup.

#### ✓ Elliptical stylus

Improves tracking and enhances detail in the music.

#### ✓ Balanced and natural sound

Perfect for music lovers seeking clarity and precision.

### CONCORDE 5S – STABILITY & EASE OF USE

Designed for reliability and ease of use, the Concorde 5S is an ideal choice for everyday vinyl enjoyment. Its spherical diamond stylus provides stable tracking and requires less precision during setup, making it ideal for those seeking a hassle-free listening experience.

#### ✓ No-tool installation

Easily mounts onto the tonearm for quick setup.

#### ✓ Spherical stylus

Offers reliable performance and durability.

#### ✓ Smooth and steady performance

Ideal for casual and frequent listening.
